

CONSENT FORM OFFSITE EDUCATIONAL OPPORTUNITIES

As part of our curriculum, students expected to take part in off-site educational provision. For example Perdiswell Leisure Centre; Outdoor Education Centres/parks; The Bridge Education Centre; YMCA; Top Barn Activity Centre; local Colleges and sport facilities etc.

These visits are organised by staff and have a curriculum link and therefore it is important that students take part.

*For some visits, perhaps those of a recreational nature, a place is **earned by the student** and is not an automatic right. This is based on attendance, punctuality, good behaviour in school and a student health and safety risk assessment. Students will not be included if they are considered to be a risk to themselves or others whilst offsite.*

Please sign the form below to cover all such journeys from the school as necessary during the school day. Further forms and information will be sent for other educational visits as they occur.

The following notes are issued by the Advance Trust for parental/carer guidance:

- 1. Pupils are **not insured** by Advance Trust against personal accidents. Personal Accident Insurance can be arranged for pupils taking part in education and youth visits and the staff will give advice about a policy which is designed specifically for such parties. The policy covers personal accident, loss of personal effects, medical expenses and the cost to parents of visiting anyone who may be detailed in hospital away from home.*
- 2. Advance Trust accepts **no responsibility for accidents** or injury to pupils or for the loss or damage of personal effects, unless the cause is the negligence of Advance Trust or any member of its staff.*
- 3. Parents should give staff a telephone number at which they can be contacted in case of an emergency, in particular should urgent medical treatment be necessary. Parents who are willing to allow urgent medical or dental treatment to be given to their children when necessary must sign the form below.*
- 4. Whilst staff transport pupils in their own vehicles, due to prohibitive cost of public transport, pupils travel at their own risk, and only if their behaviour is satisfactory at all times, as misbehaviour may be dangerous.*
