-------------------------	--

What we like and Admire about you:	
What is working well:	
What is not working well:	
What you need to stay safe and healthy:	
What is important now:	
What is important in the future:	

### Action Plan:

Targets for Home:	Targets for School:

Many thanks for attending the meeting to discuss plans for now and the future. The action plan will be reviewed when you next attend a PCR at Newbridge. We will be interested then to know about the progress made with all targets, including those targets for home.
