Newbridge School provides general guidelines and a listing of appropriate dress for students.

Failure to adhere to the Student dress code may have consequences ranging from detention, in-school suspension to more serious action for repeated violations.

CLOTHING & ACCESSORIES

Parent carers and students are expected to use good judgment in selecting appropriate clothing for students to wear at school. Each student shall wear clothing that is neat, appropriate, fitting, and not revealing.

Schools may develop additional and more specific dress code guidelines and parent carers and students will be notified of any changes.

9. Appropriate shoes be worn at all times. Flip-flops, high heels etc are not appropriate.
10. No bandanas, or similar scarves may be worn on the head unless for religious/cultural wear.
11. Sunglasses will not be worn inside the school building other than prescription dark glasses.

14. Jewellery and accessories shall not be excessive or distracting (but may be required to be removed/covered for specific lessons).
