HELPING TO SUPPORT OUR AMAZING SEND STUDENTS ACROSS WORCESTERSHIRE TO UNDERSTAND THEIR CAREERS CHOICES

WELCOME TO THE CHOICES BOOKLET - LIFE BEYOND SCHOOL. THIS BOOKLET WILL HELP YOU, THE STUDENT AND YOUR PARENTS/CARERS VIEW AND UNDERSTAND THE OPTIONS OF LIFE BEYOND SCHOOL.

DECIDING ON THE NEXT STEPS CAN BE VERY DAUNTING, WHAT OPTIONS ARE THERE? ARE THE OPTIONS APPROPRIATE FOR YOUR NEEDS? IS THERE ANY ADDITIONAL SUPPORT?

THE QUESTIONS ARE ENDLESS; THEREFORE, WE HAVE CREATED THIS BOOKLET TO SUPPORT AND SIGNPOST YOU IN THE RIGHT DIRECTION.

**BROUGHT TO YOU BY THE
INSPIRING WORCESTERSHIRE CAREERS HUB**

ABOUT US...

WHO ARE WE?

The Inspiring Worcestershire Careers Hub is part of a national initiative led by the Careers and Enterprise Company to support the delivery of high-quality careers education within educational establishments across Worcestershire.

WHAT DO WE DO?

Our aim is to ensure that through our work with educational establishments across Worcestershire that every young person receives the information, advice and guidance they need to ensure they are fully prepared to enter the world of work.

WHY DO WE DO IT?

If young people across Worcestershire fail to receive high-quality careers guidance it is highly likely they will not undertake a career pathway that is right for them.

Failure to provide young people with high-quality careers guidance will also have a negative impact on the future workforce available to Worcestershire employers.

If Worcestershire's economy is to continue to grow then it is vital that they have a pipeline of young people who hold the right skills, qualifications and experience that employers are looking for. Providing this pipeline of young people to employers will ensure that they are able to replace employees quickly and efficiently but also ensures that young people do not feel the need to travel outside of Worcestershire to secure employment.

FURTHER EDUCATION

Young people are now required to remain in learning until they are 18 years old. Students with Education Health Support Plans (EHCP) are entitled to support in education until they are 25 years old, if they remain in education. The following information will show some options on how and where to stay engaged in education.

We have broken education down into smaller sections allowing you to dig a little deeper into the courses available.

These sections are:

- > Sixth Forms
- > Colleges
- > Independent Specialist Colleges
- > Independent Training Providers

Not all settings are applicable to all SEND needs, so ensure you follow the code highlighted at the start of the magazine to determine if it is an option for yourself.

APPLYING FOR YOUR NEXT STEPS

In the vast majority of cases students will be able to find a suitable course at an educational provider within their local area. Very occasionally, if a student has very complex needs, they may need to consider an Independent Specialist Placement (ISP) which may be further away. The student must have an EHCP to access one of these placements and the Local Authority will only consider funding an ISP once all local options have been exhausted. Please note that the Local Authority cannot agree to place a pupil at an ISP if there is an equivalent course/provision available locally.

For those young people requesting residential specialist college placements the Local Authority will require evidence demonstrating that the proposal for a placement has been made as a result of appropriate assessment and guidance involving collaboration between relevant agencies, including adult social care and health. (caption taken directly from Worcestershire County Council's website)

APPLYING FOR YOUR NEXT STEPS CONTINUED

Further education, training providers and sixth form colleges offer a wide range of courses for young people, at all levels of achievement. Colleges offer supported courses for students with special needs at a range of levels. These can be accessed from age 16 (after Year 11) and remain available for students if they leave school sixth form after Years 12, 13 or 14.

Courses include vocational work-related learning and general courses which can include preparation for adult life, such as life skills, work skills and independence skills. There are progression routes from one course level to another, provided the student has achieved the entry requirements for the next level course including the appropriate level of English and Maths.

The usual progression steps are:

Pre-Entry Level

Entry Level 1,2,3

Level 1 (GCSE 1-3)

Level 2 (GCSE 3 and above)

Level 3 ('A' level)

Courses at colleges and training providers help students gain qualifications and develop work skills, to help give them the best chance of gaining a job. There are courses with work experience options and other courses which are mainly work based learning such as supported internships, traineeships and apprenticeships.

Local colleges advertise their open days in local press and on their websites.

The Education Health and Care plan can remain in place for full-time courses or training at college or with training providers. Colleges and training providers are required to make reasonable adjustments for learning and personal support, to enable students with support needs to access learning.

GOOD NEWS STORY!

At Rigby Hall Special School, we pride ourselves on the opportunities we are able to give our students, despite the pressures of the last 12 months due to the global pandemic. In September 2020 we proudly opened our Life Skills Village giving our students the ability to develop work skills in a range of vocations including mechanics, hair and beauty and construction here on site. The students have continued to develop their employability skills whilst exploring their strengths and ambitions for the future. Below is just one example of how the careers programme has benefitted our students.

My Name is Zach and I am in Post 16 at Rigby Hall. I decided to stay on in Post 16 so that I could learn to be a bit more independent and learn more functional skills. In my time at Rigby Hall I have improved my confidence and now I feel ready for my future. After I leave Post 16 I would like to go to college to study IT and computing. I would also like to learn how to live on my own. I think I have learnt lots about 'work' in sixth form, I enjoyed working in our community café and learnt how to communicate and be professional. I really enjoyed working in the new Life Skills Village, we have been setting up our own gym business, I also had the chance to use the construction pod to complete a commission project.

GOOD NEWS!

EMPLOYMENT AND VOLUNTEERING

If employment and volunteering is an option for you, then you could also think about the following information.

There is plenty of provision in the local community to guide, coach and support you through the journey. If you have a career/job in mind it is worth seeing if there is an educational course that will support you to the next step. These can be found in the previous section of the magazine.

SUPPORTED INTERNSHIPS & TRAINEESHIPS

A supported internship is a type of study programme specifically aimed at young people aged 16 to 24 with a EHCP who wish to move into employment. Supported internships can bridge the gap between education and the world of work or volunteering. These courses can help you get ahead as you move into adulthood.

Post-16 travel assistance is not automatically offered to all students who have an EHCP. There is an eligibility criteria, including closest college that meets need, and for further information on this you can either speak to Linda Hemming at Worcestershire County Council, your SEN caseworker or look at the SEN Transport Policy. It is important that you take the information into consideration when looking for a college placement.

All students, regardless of need, have to pay a post -16 parental contribution towards travel assistance. The amount currently stands at £547.00 per year, although this could change, and is payable for 2 years. You will get options on how to pay this.

The travel assistance that you are offered will not automatically be a taxi. There are other options that may be offered to you and these could be a Direct Travel Payment, bus pass or train pass.

COMMUNITY SUPPORT & SOCIAL CARE

Life would be a little empty without friends and family around you, so as you move forward through your journey it is important to keep a strong network of friends and family. Getting involved with your local community through groups, volunteering and activities is a great way of making and building relationships.

There are lots of local groups so please use the signposting for more information. However, here are a few options.

Some of these settings provide day activities which can be accessed through adult care funding and individual budgets. These budgets are agreed for eligible young people through adult care assessments undertaken by social services.

FUNDING YOUR SOCIAL CARE

DLA is the benefit to which children with disabilities may be entitled. For those age 16 years and over DLA stops and is replaced with PIP.

These guides explain these benefits further:

<https://www.gov.uk/disability-living-allowance-children/rates>

<https://www.gov.uk/dla-disability-living-allowance-benefit>

If someone has a child aged 16-18 and they believe they are eligible for support from the Young Adults Team, they should contact the Family Front Door on 01905 822666. If they are over 18 then they should contact the Access Centre on 01905 768053.

If they are assessed as being eligible for support from the YAT team they will receive a social work assessment which will enable them to access care and support which may include a direct payment. Direct payments are cash payments (rather than directly provided services), which are paid to a young person (age 18 and over), a parent or carer or to a nominated third party. These payments must be used to meet outcomes identified in a care plan or Education, Health and Care (EHC) Plan. By receiving direct payments, you are responsible for arranging, managing and paying for the services yourself.

GOOD NEWS STORIES!

Parents Feedback

Our son has attended for several years and continues to benefit from the wonderful provision at Wildgoose. Jim is a very wise leader and he and his team are caring, considerate, kind and very imaginative in the way they adapt their curriculum to meet the diverse needs of their service users. The staff go out of their way to make sure that everyone attending the care farm feels welcome, safe and secure and that each individual gain valuable skills and experience tailored to their specific needs, while at the same time having fun. The staff takes time and great care getting to know every service user as an individual and work hard to create a bond with families and carers. It is a tribute to Jim and his team that WGRT has become a very supportive, extended family for all its service users and their families and carers.

GOOD NEWS STORIES!

Covid 19 Good News Story from Reach:

“

'Reach' day provision is offering some alternative activities during this third lockdown in order to keep individuals engaged, socially connected and safe during the service's temporary closure. Opportunities include daily socially distanced walks, litter picking and home deliveries of 'Activity Packs' containing cookery recipes and craft projects for those who are shielding. Outdoor activities have enabled individuals to safely meet with their friends whilst keeping fit, healthy and enjoying some fun in the fresh air! These opportunities have proved most vital in supporting our individuals with their health and mental wellbeing throughout this most challenging time and provided a much needed social 'lifeline' for many individuals.

”

Ben Rochfort who attends 'Reach' 4 days a week and enjoys all the opportunities on offer from crafts and work experience to 'Rock 'n Pop' School' said;

“

It's great to see my friends. I like litter picking and keeping the parks clean and tidy.
