Dear Parent Carers,

At Newbridge School, we value the positive relationships forged with our parent/carers and visitors. The positive relationships established with all stake holders supports all students to thrive and be successful, achieving the best possible outcomes. To support this, we also strive to make our school a place where, as adults, we model the behaviour we expect.

We are proud of the strong connections we have with our parent/carers and are keen to promote and maintain this as we move through the academic year and beyond.

In order to build on existing strengths, we'd like to remind students/parents and carers of the appropriate and positive communications that are necessary both in person and on the phone. This also refers to any written content including social media.

Communications need to be child-centred, clear, calm and purposeful; we are sure it goes without saying, but any type of threat or insult towards staff members is not acceptable and will not be tolerated.

We appreciate your support in maintaining these lines of communication in being positive and purposeful for the benefit of the children who attend.

Should you have any questions, please do not hesitate to contact the school office on 01905 763580.

Yours sincerely

Ian Enwright  
Executive Head Teacher
