SUPPORT

Are you 16 – 24 and in need of support?

We can support YOU...

- With 1:1 meetings at a suitable location, such as a coffee shop or library.
- To recognise your potential and take steps towards a positive future.
- To build confidence and self-esteem.
- To write a CV, job search, complete application forms and interview preparation.
- With advice and guidance on career options after leaving school, college or university.
- With advice about local college and training courses.
- To attend job and career events.
- With barriers to progression.

Don't just take our word for it...

“

I have gained confidence and able to apply for and go for jobs. I am more independent than when I started the project in May.

“

Young Solutions helped me improve my confidence and self-esteem and gain employment.

“

I have increased confidence to start a traineeship and to do work experience. I have increased awareness of self-care and positive behaviours.

“

It was great having had the opportunity to have either a phone call or a text from Young Solutions.
