

Yamazaki Mazak 2025 Apprenticeship Recruitment

Apprenticeship Open Evening on Wednesday 2nd April 2025

Mazak is now recruiting for its 2025 intake of apprentices. We have vacancies for apprenticeships in:-

Machining, Assembly, Sheet Metal, Applications and Product design

Mazak is hosting an open evening at our European manufacturing facility in Worcester where we can present the very latest opportunities and also show you around the facility.

Location:- Badgeworth Drive, Worcester, WR4 9NF.

Time:- 4.30pm to 7.30pm

The first presentation will take place at 4:45pm, and then factory tours will begin at 5:30pm. If you miss the first presentation, there will be a re-run presentation at 6:30pm.

- Please register your interest with the careers advisor at your school who can inform us of the numbers that are likely to attend from your school or reply to apprenticeships@mazak.co.uk
- Come and take a look at what we can offer if you think an apprenticeship is right for you.
- Feel free to come along with a Parent, Guardian or Friend if this is of interest.
- We look forward to welcoming you to our World Class Manufacturing Facility

The Mazak logo is displayed in a bold, orange, sans-serif font.
