Dear Parent Carers

I hope this letter finds you well. My name is Angela Garnham, and I'm delighted to introduce myself as the Careers Leader for Year 11 here at Newbridge School.

As our students begin their final year of Secondary School, we are placing a strong focus on preparing them for their next steps. Whether they're considering college, apprenticeships, or other post-16 pathways, our aim is to ensure that every student feels informed, confident, and supported in making the right choice for their future.

Over the coming weeks, we'll be working closely with Year 11 to explore a wide range of college courses and career options. Our goal is for all students to have submitted at least one college application by Christmas. This timeline gives us plenty of opportunity to provide guidance and arrange visits or talks from local providers.

I'll be in regular contact with updates, resources, and opportunities to help your child navigate this important stage. If you have any questions or would like to discuss your child's plans further, please don't hesitate to get in touch by telephone on 01905 763580 or email [angela.garnham@newbridgeschool.org](mailto:angela.garnham@newbridgeschool.org)

Thank you for your continued support. I look forward to working together to help our Year 11 students take confident steps toward their future.

Warm regards,

**Angela Garnham**

Careers Leader
