

23rd April 2026

Dear Parent Carers,

At Newbridge School we place a very high value on the learning environment in which your child is educated.

We are sure that we can count on your full support in promoting respect for our staff, other students, the learning environment, school buildings and property.

Entering classrooms other than those timetabled or without permission, is considered a disruption to learning. Such behaviour interrupts lessons already in progress and negatively affects both staff and students. Students are expected to go directly to their assigned classroom at the appropriate time to help maintain a calm and orderly learning environment.

Should students refuse to attend lessons, fail to engage appropriately, or disrupt the learning of others—for example through throwing items, playfighting, or inciting negative behaviours—this will result in a consequence, which may include suspension.

We do not accept behaviours such as physical contact and playfighting between our students.

We appreciate your support with this matter and help by reminding them we will not accept such behaviours in school.

We thank you for your ongoing support.

Should you have any questions, please do not hesitate to contact the school office on 01905 763580.

Yours sincerely

Ian Enwright
Executive Head Teacher
